**Subject:** RE: Texas EtO risk value/process

Folks, I wanted to circle back to confirm discussions. Thanks Lew and Kelly. Can you confirm that Dr. Honeycutt's approach gets his information in front of the right folks at HQs?

I called Dr. Honeycutt at TCEQ. He seemed comfortable that he had his foot in the door with EPA. He sent Texas comments in on the RTR for Stationary Turbine rulemaking. It requested comments on alternative EtO values according to Honeycutt. Texas commented that it intended to do that. Texas plans to publish its notice on Honeycutt's Effects Screening Level report. He said he planned on calling OAQPS and ORD soon. I mentioned Jon
